### ***SO CLOSE: FROM TRANSACTIONAL LEADER TO LEGACY BUILDER (45-75 MINUTES)***

You have reached the top of your career because of your talent, but you still feel off track. What started as a passion now feels like a grind and you're starting to wonder, is there more to leadership than checking boxes?

You're not alone. In fact, over her 30+ experience, Deb Coviello has also felt this frustration. She has researched and worked with countless CEOs, distilling that experience into The CEO's Compass that will not only get you back on track, but leave a lasting impact.

*This presentation is best suited for C-Suite Executives, High Performance/Emerging Leaders, Non-Profit Leadership, Executive Management & Leadership Programs, PE/VC Investors*

### ***COMMUNICATING WITH CONFIDENCE AND IMPACT (30-45 MINUTES)***

Imagine you're heading into a company-wide meeting excited to share a new initiative with your team. You speak into a sea of faces and can feel the resistance in the room. Instead of sharing your excitement about new possibilities, your employees shake their heads. They can't see past the overwhelm and promise of more work.

Some would say that this is a passion problem. The truth is, it's a leadership problem. In this talk, you will receive some of the most powerful words you can use to increase your influence and impact.

*This presentation is best suited for: HR Business Partners, Technical Leaders, Emerging Leaders*

### ***THE CEO'S COMPASS- YOUR GUIDE TO GET BACK ON TRACK***

A recent study showed nearly 60% of leaders feel depleted at the end of day. This feeling is a key indicator of burnout and makes it difficult to lead and inspire others. If you've ever experienced that restless exhaustion, you know why CEOs are among the most likely candidates for experiencing job frustration and burnout.

In this presentation Deb will reveal the foundational principles from her book, The CEO's Compass, giving you actionable strategies for reducing stress, reigniting your passion for leadership, and achieving results in days, not weeks.

*This presentation is best suited for: C-Suite Executives, Non-Profit Leadership, Higher Education Institutions, PE/VC Investors*
